ADDITIONAL CHARGES

If you wish for your companion to accompany you to events, meals out, etc you will be required to cover the charges for your companion to attend the event. You are required to cover the costs of your companion eating out at a venue with you (if they wish to do so) up to the cost of £10. If the companion wishes to consume food/drink above this amount they will need to fund any extra cost themselves.

These additional costs can be paid directly by you (the client) prior to, or at the time of, the event/meal out. Alternatively, the companion can pay for the item and obtain proof of receipt, and the cost will then be added to your monthly invoice.
